

Founded in 1954

The purpose of the Clairemont Art guild shall be for the advancement of creative arts in the community and for individual growth through association with the Guild.

**CODE OF ETHICS
CREATIVITY**

We will encourage each artist to create his or her own work, expressing individual interpretation of the subject.

INTEGRITY

We will strive to keep our aims and integrity above question. Copy work will not be exhibited.

The CAG holds monthly meetings, presenting lectures, demonstrations and critiques. Exhibits by credentialed members are shown in libraries and other locations. There are annual judged and juried shows at which ribbons and cash awards are given.

The CAG is associated with Mesa College Art Department. Awards are presented each year to outstanding art students from Mesa College. We also present awards to students whose work is in the Student Division of the San Diego County Fair.
